

48 Chief N.Colalilo has a receipt for food for men that he was
49 advised he would be reimburse by the board, total \$85.33.
50 6-We had a structure fire on Monday, March 15, 2021. We had a
51 total of 23 members respond. All of the training and
52 encouragement we've been attempting to install in the members
53 recently has paid off when we see numbers like that at a fire on
54 a Monday during the day. There were a few tactical errors we
55 came across but it was nothing life changing and the officers
56 will address those and practice more.
57 7-The only real issue that came up was with the first aid
58 employee who was on the ambulance. I will be reaching out to the
59 EMS Supervisor to with him regarding that.
60 8-Other than that incident, everything went great. EMS staged
61 and were ready with their equipment to assist if needed and all
62 mutual aid companies responded and went to work as expected.
